Poetical.

PALSIMOOD.

R) WARY TORREST.

When godless hearts that have grown sere and hours In the's counting round of strike and toll.
Engander and rehearse the venomed story --Angels recoil.

It is a fearful thing for gray-haired table ϵ . To head above the alembic of its bate. Yearofter year, refilling its black chalice With eyes dilute.

Grafa follows grain into the dark abysia: The golden study of life are almost ran : Each moment fides some dim my of Elysham-Night has begun.

But youth-glad, effluent youth, whose crystel is intrin-Should yet natroubled be by hout or horn Of waston-whose white feet go up life's mount on As yet untorn.

When these are found in their June marning. The desc on their bright lips to poison turned. The almondatured their fresh brows adoratog Dreaded and spurmed.

he angels weep. Earth both no solder token Of the foot trail across the Eden Cover-Then withering falsehood, framed and spoken In youth's fair bower-

Ad tear brang,

CAUGHT A TARFAR

Express relates the following anecdore of a dis-tinguished General of the Army, and one of the many fools who have received commissions in ervice.

train of cars between Baltimore and Washington any boyatty is unimpeached, and, madame, I upon which occasion a scene occurred that at assure you it is unimpeachable. Now, if we tracted my attention, and which exemplified could only my to the Government those niggers the fact that retribution is concluded more more around.—

speedy than it is expected. We had proceeded. The Captain waited a moment to see what on our junting for half an hour, when had talke effect his speech was producing. "Well," welling and profamity excited the attention of the said the widow, impatiently tapping with her passengers to a part of the ear where sat compassengers to a part of the ear where sat com-well shaped foot one of the sucking limbers of posedly an older man wrapped in a liberal over-tors.

aon of less years, was standing in the ai-le near and save me from a finure life of misery by hith, using violent language, and gesticulations. A large sized, red faced and very voluble perattended with the charge of repeated that the old gentleman had taken his seat during his it should be relinquished to him.

became very abusive and boisterons.

ucat sent interposed, assuring the ferucions man gave away the blushing bride. She is represent that he was mistaken, that they had entered the cur at the last stopping place, and found the cur at the last stopping place, and found the the cur at the last stopping place, and denote the seat they occupied then vacant and took it, presuming that it was not taken. It was probably the one he had occupied, and they were ready to relinquish it, and immediately rose and did so.

The ferocious man, then seized, the seat and to the ist of January; but our opinion is it of the last with the seat and to the ist of January; but our opinion is it of the last with the seat and to the ist of January; but our opinion is it of the last with the seat and because of the seat and to the ist of January; but our opinion is it of the last with the seat and black and white Press Goods; also last white press Goods and the manual tool it was pressed in the seat and the manual tool it was pressed in the seat and the manual tool it was pressed in the seat and the manual tool it was pressed in the seat and the manual tool it was pressed in the seat and the was pressed in the seat and the was pressed in the seat and the manual tool it was pressed in the seat and the was pressed in the seat and the was pressed in the seat and the manual tool it was pressed in the seat and the was pressed

gentleman to whom he paid his verpects in the) hist instance, with the purpose, no doubt of cultivating his acquaintance more intimately.— In performing this manocurre, he threw open his overcoat, so as to disclose the shoulder smaps of a Captain. This attracted the attention of the other party, when the following colloquy, as near as I can recollect it, ensued:--

Old gentleman.—"By what right do you wear at insignia?" pointing at the same time to the revealed shoulder straps.

Ferocous man- "By the authority of the Unitel States Government. I am an officer of the army, and have fought and shed my blood for my country, while such rich old codgers as you are lazing about at your case, and taking up other people's seats in milroad cars, while profitely, sir, like me do the lighting."

Then some a change in the scene. The old gentleman threw back his overcoat, reacating

Then come a change in the seene. The old gentleman three back his overcoot, reaching the stars of a Major General of the U.S. Army, and saying to the Captain in a firm but dignified time, "I am General Couch, sir and I order you under arrest for amgentlemanly and modification, "I am General Couch, sir and I order you under arrest for amgentlemanly and modification of the transport of the conduct. You will proceed to Washington under my escort."

The ferocious main was tained in a moment and alternpted to offer an awkward upology, but he was cut short by the General-gard seemed of the finance coupled with the express particular to enjoy the comfort of his upon additions for the remainder of the journey towards the Cepitol. I heard a day or two after, that the ferocious man was a resident of Infalo, and had reformed home minus a commission and the insections of the feroles seems are consistent and the insections the sum of the feroles sex, and they are reported from the results of the formula surface of the feroles sex, and they are reported from the results of the formula surface of the feroles sex, and they are reported from the results of the formula surface of the feroles sex, and they are respectively and the surface of the feroles sex, and they are respectively and the surface of the feroles sex, and they are respectively and the surface of the feroles sex, and they are respectively and the surface of the feroles sex, and they are respectively and the surface of the feroles sex, and they are respectively and the surface of the feroles sex, and they are respectively and the surface of the feroles sex, and they are respectively and the surface of the feroles sex, and they are respectively and the surface of the feroles sex, and they are respectively and the surface of the feroles sex, and they are respectively and the surface of the feroles sex, and they are respectively and the surface of the feroles sex, and they are respectively and the surface of the feroles sex, and they are respectively and the surface returned home minus a commission, and the in-signia which betrayed him. Evidently he caught
